Employee Allocation Programs

WAYNE Enterprises

1 Select the gear that fits your team. We assist in matching the right garments to align with your corporate identity and protection needs.

HRC 2
NFPA 2112
ATPV 8.6 (cal/cm)²

2 Collaborate with our team to ensure all selected garments meet your specific safety standards in the field.

3 Log in to your personalized company portal, where all approved items are clearly outlined in your chosen styles.

4 Team members can order directly from their phone, tablet, or computer, selecting the sizes they need. Budgets are set by you to stay in control of spending.

5 Our in-house team expertly applies all logos and custom details, ensuring consistent branding across every garment.
